Barbara Rene Stoeltie : Living in Mexico before purchasing it in order to gage whether or not it would be worth my time, and all praised Living in Mexico:

0 of 0 people found the following review helpful. Mexican colors and architecture. By Rick Spell Exceptional coffee table book of Mexican homes. I have homes in the Yucatan and there were many featured homes in this region. Mexico City was also featured prominently. This is a magnificent book highlighting the beauty of Mexican architecture and colors. Buy this book for a great conversation piece or just to enjoy yourself. Well worth it. 2 of 2 people found the following review helpful. buena coleccin By JAVIER Esta serie de libros son una buena coleccin de libros de mesa, lindas fotos, buen contenido. recomendado como todo lo de tachen 0 of 0 people found the following review helpful. Five Stars By Customer Great product.

The colors of Mexico: Diverse interiors from Costa Careyes to the Yucatan Peninsula

About the Author Barbara Ren Stoeltie both began their careers as artists and gallery owners. With Ren as photographer and Barbara as writer, they have been collaborating on interior design articles since 1984, contributing to such influential magazines as Vogue, The World of Interiors, AD, Elle, House and Garden, Country Living and House

Beautiful. Angelika Taschen studied art history and German literature in Heidelberg, gaining her doctorate in 1986. Working for TASCHEN from 1987 to 2010, she has published numerous titles on art, architecture, photography, design, travel, and lifestyle.
