Dominic Lutyens : Living with Mid-century Collectibles before purchasing it in order to gauge whether or not it would be worth my time, and all praised Living with Mid-century Collectibles:

4 of 4 people found the following review helpful. Vintage Furniture Store Owner says, "skip it!" By Seaside Designer The book is poorly organized displaying very random images and ideas. Also, there are wonderful items shown and not identified as in p 47. Be aware the book references only sources in London. As a vintage store owner, I was disappointed. 0 of 0 people found the following review helpful. Nice item. Thanks for offering By Judith Byrd Nice item. Thanks for offering, and quick ship! 0 of 0 people found the following review helpful. Five Stars By Customer Wonderful resource for mid century fans

Mid-Century Collectibles provides a fascinating insight into this fertile design period and the many collecting opportunities that it offers up. First, the introduction introduces the period while Chapter 1: The Mid-Century Look,

identifies the various characteristics of the look. Next, Chapter 2: Mid-Century Collectibles explores the elements of the style: furniture, lighting, textiles, tableware and decorative items. Chapter 3: Living with Mid-Century Collectibles showcases locations around the world where pieces are used in interiors with great success and finally, a Collecting Guide advises both the novice and more experienced collector on what to collect and where to buy it.

About the Author Dominic Lutyens is a journalist who writes regularly for The Daily Telegraph, The Guardian and Elle Decoration. He is the co-author of two books: 70s Style and Design and Celia Birtwell.
