Anonymous : Lock Pick Design Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Lock Pick Design Manual:

0 of 0 people found the following review helpful. Practical KnowlegeBy rosco289This book if used correctly will teach you how to design your own lock pick set using basic materials you can find around your home.

Paladin is very pleased to make available once again one of the most detailed manuals on lock pick design ever written. Originally used by various government agencies to assist in surreptitious entry, the manual contains configurations and drawings to scale. For academic study only.
