Robbin Obomsawin : Log Cabin Classics before purchasing it in order to gage whether or not it would be worth my time, and all praised Log Cabin Classics:

1 of 1 people found the following review helpful. Five StarsBy ArboOne of my favorite books about small log homes. Adorable floor plans, beautiful pictures, very inspiring!0 of 0 people found the following review helpful. Five StarsBy Jim ZAleskyGood book-too many ideas4 of 5 people found the following review helpful. Log Cabin ClassicsBy Buddy's MomNice little hard back book about the construction of smaller log cabins. It has many pictures and plans with links for those considering building a more conservative log home. It's good for the first time builder or someone dreaming about possibly owning a log cabin.

Designed to bring the true spirit of cabin style back to its roots, Robbin Obomsawin's latest book Log Cabin Classics is inspired by nostalgic, old-world cabins and filled with tips for meeting today's current needs. Since place-not space-is what true harmony with nature and cabin living is about, Log Cabin Classics includes practical construction advice, straightforward and creative design, advice on using local materials and choosing a site, architectural details, and handcrafted artistry. These principles are applied to a collection of one-of-a-kind plans you can use as springboards for creating your own "log cabin classic." Log Cabin Classics features 20 classic cabin designs under 1,500 square feet. Robbin Obomsawin is the construction manager and general contractor for Beaver Creek Log Homes. She has served as vice president of the American/Canadian Log Builders Association for Handcrafters. She is the author of Small Log Homes, Best Log Home Plans and The Not So Log Cabin. She lives in Westdale, New York.

..a useful guidebook for building homes in which simplicity is revered over opulence. The author combines traditional handcrafted artistry and natural inspiration with modern, space-saving designs for traditional-style cabins that are updated with a touch of whimsy for today's lifestyle.
