Janice Brewster : Log Cabins (Architecture and Design Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Log Cabins (Architecture and Design Library):

0 of 0 people found the following review helpful. Great condition!By CharlotteI collect this series of books. Great condition!0 of 0 people found the following review helpful. Book is very damagedBy toni o'hareI bought this book mainly for it's pictures, half of which are cut out of random pages, with the pages remaining but flopping around since they are cut. Horrible way to send a book to someone.0 of 0 people found the following review helpful. Five StarsBy Diane Swansonnice
