William S. Wicks : Log Cabins: How to Build and Furnish Them before purchasing it in order to gauge whether or not it would be worth my time, and all praised Log Cabins: How to Build and Furnish Them:

1 of 1 people found the following review helpful. Great For What It Is By R King If this was current state of the art" I would have found it much more useful. It's really a reprint of an older book detailing a more woodcrafty approach. I enjoyed it much the same as I do when I look at/read one of my early Scouting/woodcraft books. That's also why it is inexpensive. On the whole, it's a fun little book but given its limitations, I've only rated it an "okay". 1 of 1 people found the following review helpful. NOT good By Randy Dunham Should have previewed...just awful! The illustrations were terrible with no detail whatsoever! I will now know better in my future purchases. 0 of 0 people found the following review helpful. Two Stars By silent No real specific. Just general information. Still a ok read

Ever wanted a cabin or little cottage in the woods but don't know where to start? With Log Cabins, author William S. Wicks offers clear, practical instructions on how to build your own log cabin and furnish it, while harmonizing the

structures interior and exterior with the surrounding environment. Topics include: Location scouting and preparation Foundations, tools, and materials Roofs and shingles Floors, ceilings, and partitions Chimneys and fireplaces Screens, windows, and shutters Doors and stairs And more! With line drawings of lean-tos, Adirondack cabins, simple log structures, furniture, and more, this handy how-to manual provides easy-to-understand and must-know information to make your cabin dream a reality.

About the Author William S. Wicks is the author of the manual *Log Cabins and Cottages: How to Build and Furnish Them*, which promotes the harmonization of a building both the interior and exterior with its immediate surroundings, and *Log Cabins*. Wicks served as Buffalo Parks Commissioner from 1897 to 1900. He was a life member of the Historical Society and the Buffalo Fine Arts Academy as well as a Fellow of the American Institute of Architects. Wicks retired from the Green Wicks architectural firm in 1917 and passed away two years later.
