I was looking for ideas and I got some good ones from the book.1 of 1 people found the following review helpful. Log Home InspirationsBy Laura E. PoochThis has the most beautiful pictures of 17 marvelous custom log homes! And each has its own story to go with it. A must have for the coffee table or as a planning tool for your dream log home.

This beautifully illustrated book offers you an opportunity to explore 18 private log homes and getaway cabins. Acclaimed architectural photographer Roger Wade takes readers from the mountains of Arizona through the Midwest and on into the eastern coastline states, illustrating a diverse collection of log home styles. Homeowners, decorators, and architects alike will be inspired by the tremendous diversity of furnishings and decor, as well as enjoy the opportunity to study architectural details graced by different log styles, corner systems, and finishes. Floor plans will guide you as you explore these homes inside and out. This is the perfect book for anyone considering building a log home, or for those who've already built and are looking for unique decorating ideas for their very own dream home.
