Tina Skinner : Log Home Lifestyles (Schiffer Design Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Log Home Lifestyles (Schiffer Design Books):

For those who own or dream of building a log structure, this treasure trove of images will be a welcome delight to pour over. More than thirty homes are pictured, with floor plans plus interior and exterior shots. A gold mine of visual ideas for designing and decorating log homes, it has more than 300 dazzling images to inspire your dreams. Study and compare house profiles and room layouts, gather ideas for furnishing your great room, bedrooms, or home office, and select cabinetry styles for your kitchen. This enchanting resource showcases log home living and the distinctive decorating styles that so greatly complement it.

About the AuthorTina Skinner is a professional writer specializing in books on home design.
