**(author) Fisher : Long Ago in France (Destinations) (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Long Ago in France (Destinations) (Paperback) - Common:

From one of the most gifted writers of our time, a nostalgic account of France, replete with fascinating characters and memorable meals. In this very personal reminiscence, readers glimpse beautiful Dijon against the backdrop of between-the-wars Europe through the eyes, heart and stomach of a most wise and articulate woman.
