**Lotta Jansdotter : Lotta Jansdotter Stencils: Decorate Your Walls, Furniture, Fabric, and More** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lotta Jansdotter Stencils: Decorate Your Walls, Furniture, Fabric, and More:

0 of 0 people found the following review helpful. Collection of clear, crisp and easy-to-use stencils. By MargotI was a bit astonished when I got the 'book' delivered. This is actually not a book. It's more a nicely packaged collection of pre-made stencils. However, it has some background information and this and the very short introductions are actually all a beginner needs. You can immediately start to stencil. I did so and had/have a lot of fun. 1 of 1 people found the following review helpful. Great investment By Beth ShockeyI ordered this with the idea I could hone my stencil painting and I did! Plus it allowed me so much creativity-I just think they are great! 20 of 21 people found the following review helpful. Unimpressed By Renee CarrasquilloI own pretty much every printed piece Lotta has put out and this is the first one I can say I was very unimpressed with. There were so few template designs that seemed fresh. I think if I inspected it in person before purchasing, I wouldn't have bought it. I do like the template material however.

There's something so satisfying about stenciling: It's easy, affordable, and it yields such impressive results. Especially

when all the design work is done for you by the talented textile artist Lotta Jansdotter. Lotta's hand-drawn stencil motifs are cut out of durable plastic so they can be used again and again on all sorts of surfaces, from walls to fabric to furniture. Simply wipe the stencils clean with soap and water and stow in the handy storage pocket provided. Project instructions and photographs demonstrate how to repeat a design on a structured grid to achieve the look of wallpaper (for a whole lot less money), or apply designs randomly for a unique, playful effect. At just \$24.95, this package is a DIY decorator's delight a real bargain, and beautiful to boot!

About the Author Lotta Jansdotter is an internationally celebrated textile and accessories designer. Born in Sweden, Lotta now lives, works, and teaches in Brooklyn, New York. Yoko Inoue is a Brooklyn-based photographer.
