I got this for my parents and they greatly enjoyed it and it has helped them make your country house more like home and improve it in many different ways.1 of 1 people found the following review helpful. Beautiful texturesBy peter painterI want to walk right into this beautiful book, filled with textures and colors to delight the eye, thoughts on the home to help achieve what I want, and especially the author's encouragement that I can do it. I only wish the sense of smell could be included, but we need to venture out and discover that ourselves, don't we?. In this age of experiencing so much on screen, perhaps that is the best advice of all.1 of 1 people found the following review helpful. Wonderful bookBy teddy7This books presents beautiful homes that obviously give their owners a wonderful sense of love and comfort. It is so nice to see homes that truly reflect the essence of the homeowners style...not cookie cutter design.

Design expert Joan Osofsky of Hammertown Barn, a popular lifestyle store, shares her in-depth knowledge on stylish modern country living with a collection of creative ideas and real-life tips for making your home warm and welcoming. Joan Osofskys liberating philosophy about cozy and comfortable living in rural settings and ideas about how to achieve a modern country look are exemplified in the charming and inviting houses from across the Hudson Valley and New England that are profiled in *Love Where You Live*. Full of practical decorating tips and easy and casual hosting ideas, this book features a range of traditional and contemporary house styles that are truly inspiring for todays informal country lifestyleairy, minimalist living rooms look out onto the lush countryside; a rustic tiled floor shines through a sleek glass-topped table of a dining room; a welcoming, roaring log fire warms a great room with rough-hewn beams. Each embodies a shared aesthetic that is all about good design, a relaxed lifestyle, and an authentic sense of place and personality. This beautiful book shows us how to make our homes reflect the passion, the unique vision, and the soul of the people who reside there.
