Love the kitchen and living room designs. It was what I had expected-to satisfy the secret architect in me. 2 of 2 people found the following review helpful. Luxury homes By TEE REE I love this book It has some good plans in it. The homes is out of this world. I love to Dream Big and that is what this book does, It lets you dream big

This successful book continues to build on its original simple premise: to offer some of the finest and most interesting

luxury home plans from today's leading designers and architects. Here, in a completely new and revised edition, 15 leading designers and architects share their finest luxury home designs. More than a statement of size, the luxury celebrated in this new volume encompasses elegance in design: rooms that complement living and uplift the spirit while supporting all the conveniences of modern times.
