This massive, beautifully presented book profiles more than 80 exceptional, high-end hotels throughout Europe, the Americas, Africa and Asia. Wonderful addition to my collection By Meena Azary This is easily one of the most beautiful coffee table books I've seen. Anyone who loves the experience of traveling, breath-taking resorts, fine dining and majestic architecture/design, will love this book! Nothing is more enchanting than a luxurious European hotel. From the UK to Hungary, this book explores the most magnificent getaways. It's full of specifications describing the setting, design and atmosphere of each hotel--a full 360 view. Of course, with all of those vibrant photographs, it's also very relaxing to leaf through and enjoy. Some of the most breath-taking hotels showcased? I'd say The Grand Hotel Kronenhof (Pontresina, Switzerland) and Schloss Fuschl Resort SPA (Salzburg, Austria). I also like the thematic hotels like Maison Moschino in Milan...but the whole book is full of surprises...Glad to have it in my collection. 5 stars, hands down.

At these luxury accommodations, no detail is left to chance. Decor, furnishings and artworks are of the finest caliber. Covering options worldwide, this guide profiles unique hotels that spoil guests with a wide range of top-notch amenities. Wherever you may choose to lay your pampered head, this guide details the ultimate lodgings with impeccable standards. This second volume is updated to reflect new additions and changes to old favorites. Of course, the service is always the last word in thoughtful consideration. What's more, comfort is a certainty. Whether traveling for business or for pleasure, you can rest assured that these lodgings will meet your every need.
