4 of 4 people found the following review helpful. Inspirational and ReasonableBy MizGI purchased this book weeks ago and am still enjoying it. The decorating color schemes and arrangements are lovely, inspiring and realistic. I have

already used ideas from this book to paint and decorate two rooms in my house. Highly recommended. 6 of 6 people found the following review helpful. So many good ideas! By N. Fay I love books like this because I am always looking for new ideas for my home as well as DIY projects and how to accomplish them. This certainly fits the bill. 1 of 1 people found the following review helpful. Great for seasonal sprucing and revitalizing different spaces at home. By Docling This had relatable makeovers suggestions that had me sprucing up different spaces at home in no time. Materials are easy to find, so it's quick enough to replicate the different recommended projects. The ideas can be layered in one room with surprising simplicity. I would recommend without reservation

If you're like most people, you have trouble envisioning a room's possibilities, even if you've lived in a space for years. That's one of the reasons room makeovers are so popular in print, on TV, and online: they give people ideas for solving their own decorating challenges.
