Anoop Parikh : Making the Most of Small Spaces before purchasing it in order to gage whether or not it would be worth my time, and all praised Making the Most of Small Spaces:

0 of 0 people found the following review helpful. Appealing and UsefulBy L. B. WelshGreat resource for arranging small living areas, with ample decorating ideas, as well. The cover made me concerned that the book would be outdated, but the suggestions are applicable to a variety of living spaces.0 of 0 people found the following review helpful. Very Dated InteriorsBy J. DurkinThis probably should be either seriously updated or withdrawn from publication, as the interiors are very dated. The basic advice still makes sense, though.3 of 5 people found the following review helpful. A worthwhile investment!By A CustomerAlthough this book is small, it delivers a lot of punch! It's a great starting point when determining what is possible when you have major space restrictions. I appreciated the variety of styles and situations represented.

Here is much-needed information on how to use space efficiently in studio apartments and in every room of the full-size home. State-of-the-art kitchen equipmaent and storage solutions, ingenious space-saving ideas, and tips on using color, pattern, texture, and concealed and mirrored elements help make small spaces bigger on a sensible budget.
