Julius Shulman, Juergen Nogai : Malibu: A Century of Living by the Sea before purchasing it in order to gage whether or not it would be worth my time, and all praised Malibu: A Century of Living by the Sea:

A visual guided tour of coastal Malibu's most significant architectural structures includes profiles of houses by such individuals as John Lautner, Richard Meier, and Frank Gehry, in a collection of mostly unpublished photographs taken over the course of the historian author's seventy-five-year career. 15,000 first printing.
