By beefMy dad is a lawyer and didn't teach me anything except work hard in school so when you grow up you can pay someone well to do handy work for you. I like to do my own work and am a mechanical engineer. This book had some good stuff, but most of it I learned in the boy scouts. The non-handy stuff I learned from my dad. There was some good handy stuff that I didn't

know. But this is a small book and not a serious self-improvement book. This would be a better becoming a man present for a 16 year old or younger boy.3 of 3 people found the following review helpful. Written for that audience to actually "listen" so it is perfect.1 of 1 people found the following review helpful. Great skills and advice. Very well written. Funny.By BoThis is currently my bathroom reading material. It is really well-written and funny. The skills are all good to know. I will probably tab some of the ones I really want to learn and keep this book in my office. This would be a great gift for any dude. Fast prime shipping
