Asta Sadauskas : Manual of Woody Landscape Plants (Their Identification, Ornamental Characters, Culture, Propagation and Uses) before purchasing it in order to gage whether or not it would be worth my time, and all praised Manual of Woody Landscape Plants (Their Identification, Ornamental Characters, Culture, Propagation and Uses):

This book details the common and not so common woody ornamental deciduous trees, shrubs, ground covers, and vines as well as the narrowleaf and broadleaf evergreens which are adapted to Midwestern and Eastern Climates of North America.
