Marge Jones : Marge's Custom Slipcovers: Easy to Make Snug Fitting before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marge's Custom Slipcovers: Easy to Make Snug Fitting:

You often have to really meditate on the pictures to figure out what is being illustrated. The wording can be confusing too. But, apparently Marge listened to feedback because her 2nd book "More Custom Slipcovers" is extremely well done and really easy to understand and follow. I don't regret buying this book but I'm glad I have both her books so I can use the 2nd one to help me understand the 1st one. 4 of 4 people found the following review helpful. Daunting Tasks Made Easy By Dave P. Marge has the ability to turn a daunting task into a straight forward step by step logical task through her very calm approach and easy to follow directions with excellent accompanying pictures and diagrams. Her book is so nicely done that it provides guidance and tips that would be appropriate for beginners to experts in my opinion. 3 of 3 people found the
