Michael W. Lemberger, LeAnn Lemberger : Mars Hill: A Living Legacy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mars Hill: A Living Legacy:

Built in 1857, Mars Hill is the oldest log cabin church still in use in the nation. It is also one of the largest log buildings to have been constructed in Iowa. Though it is now an interdenominational chapel, it has been called the mother church of all Baptist faiths west of the Mississippi River. Severely damaged by an arson fire in 2006, Mars Hill has been rebuilt with original and period materials.
