0 of 0 people found the following review helpful. Five StarsBy Renee WertmanI love all of Mary Emmerling's books
1 of 1 people found the following review helpful. Love the HeartsBy betty croweI had owned two copies of this book previously and they both had been destroyed by the same rotti! Was pleased to find it on and I knew what I was getting. Love this beautiful book of hearts. Shipping was fast.
0 of 0 people found the following review helpful. These Hearts have Style!By Sarah A DavisAnother great book by Mary Emmerling. I have never been disappointed with any of her books. I give them often as gifts. SHE has a way of capturing great items both visually and with the written word. Timeless!

The first name in American Country offers a fully illustrated, idea-packed treasury of 16 elements of country style. Beginning with Architectural Elements and continuing through Windows, Mary Emmerling shows how to create a

style detail by detail. Full-color photographs.
