I give them often as gifts. She has a way of capturing great items both visually and with the written word. Timeless!

The first name in American Country offers a fully illustrated, idea-packed treasury of 16 elements of country style. Beginning with Architectural Elements and continuing through Windows, Mary Emmerling shows how to create a style detail by detail. Full-color photographs.

.com Have you ever visited a friend's home and found yourself saying "what a great idea" when you saw how they displayed a quilt collection or had seen how they had painted an old piece of furniture? That is exactly what you will

find yourself doing a hundred times over when you open this book. This will be the place I go for a new design, decor or craft ideas. The best part is Mary will probably not be stopping by your house and noticing you copied her ideas. From the Inside Flap The first name in American Country offers a fully illustrated, idea-packed treasury of 16 elements of country style. Beginning with Architectural Elements and continuing through Windows, Mary Emmerling shows how to create a style detail by detail. Full-color photographs.
