Adrian Fisher, Diana Kingham : Mazes (Shire Albums) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mazes (Shire Albums):

2 of 2 people found the following review helpful. aMAZEingBy William GoldfinchThis is one of the most interesting Christmas presents I've ever had! Not only does it contain useful facts about mazes but also spectacular pictures of mazes and their surroundings. I recommend this book to anybody who has had the pleasure of visiting one of Adrian Fisher's mazes. Diana Kingham is a wonderful illustrator, the detail and colors are fantastic-well worth buying.0 of 3 people found the following review helpful. FingersBy William GoldfinchI have realised that my last review was completely wrong. This book has gone down in my estimation when i realised how little coverage of finger-mazes is contained within the glossy text. More finger mazes please, Adrian.
