C. Kaila Westerman : Melt Mold Soap Crafting before purchasing it in order to gage whether or not it would be worth my time, and all praised Melt Mold Soap Crafting:

4 of 4 people found the following review helpful. A Great Beginner Find!By PattiEasy to follow recipes for melt and pour soap. I am a complete novice and was very pleased with my purchase. It had been recommended to my by a friend and it starts with a few beginner soaps and works its way up. I have found it to be easy to read, easy to follow, and I have had success with the recipes I have tried.1 of 1 people found the following review helpful. Good bookBy CoffeegirlGreat book and easy to read. Has simple explanations. It is not for those who make their soaps from scratch but rather full of tips and tricks and recipes for using melt and pour. I liked this book a lot and would recommend it for

the newby.0 of 0 people found the following review helpful. Lots of tricks of the trade.By SixeyesThis is the most practical informative of the books I bought. Lots of tricks of the trade.

Cook colorful, whimsical, eye-catching soaps right in your microwave! Its easy and fun with C. Kaila Westermans guide to creative soap making. Westermans recipes are free of harsh chemicals and she encourages you to play with colors, scents, and shapes that the whole family will enjoy from rubber duckies to sailboats, stars, and gemstones. With an inexpensive soap base, some food coloring, and a bit of imagination, you can quickly create handy bars for kid-friendly cleaning and hours of bath time fun.

Westerman offers an array of basic techniques and imaginative designs. Houston Chronicle
