Verna Cook Shipway, Warren Shipway : Mexican Interiors before purchasing it in order to gage whether or not it would be worth my time, and all praised Mexican Interiors:

0 of 0 people found the following review helpful. Love the photos even though they are in black and ...By Renee K.Lovely, my sister has this book and I always wanted one so I ordered. Love the photos even though they are in black and white. Shows all the ideas one can use for your own projects and home.1 of 1 people found the following review helpful. Excellent source materialBy M. NashI own all of the Shipway's books on Mexican decorative arts and interiors. This one is one of the essentials.

How individual pieces may be used to enhance and embellish entire rooms.
