4 of 4 people found the following review helpful. Such styleBy d.m.Mexican style epitomizes the spirit of Mexico with its colorful pages and combinations. Bold and beautiful this book shows all that timidity in your surroundings can be boring. Give yourself a chance to bloom in your interior and exterior designs with this book.0 of 0 people found the following review helpful. Beautiful bookBy CCVery good color to show that and style that is quintessentially Mexican. Nicely printed book as well. Will be a color reference for me.7 of 10 people found the following review helpful. fab detail ideasBy Gail R.while designing my home, I wanted ideas for the details like wall finishes, stairs, colors, etc. to get a real Mexican feel in architecture. It's all in the detail...

The Mexican Style Source Book explores the distinctive architecture of Mexico: from haciendas to columns and arches to palapas. Interiors focus on the textures and materials, including wood, metal, leather, paper, fiber, tiles, ceramics, silver, and stonework. Featured patterns include floral, pictorial, religious, symbolic, and stone relief.
