**James A Fizzell : Midwest Fruit and Vegetable Book Wisconsin Edition (Midwest Fruit and Vegetables)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Midwest Fruit and Vegetable Book Wisconsin Edition (Midwest Fruit and Vegetables):

0 of 0 people found the following review helpful. Very helpful and informative  
By Amanda  
I have been vegetable gardening for a long time but have just started planting fruit. I am glad that I got this book since there were definitely things that I did not know and I was going to make some mistakes otherwise. I especially like the way that the sections are broken down to show how to prepare the soil and how to care for the plant, including pruning and disease/ pest control. I would recommend this book to anyone either just starting out gardening or trying to figure out a little bit more about the process and how to better control it.

By J. Bishop  
Helps me be a better gardener.

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the benefits derived from gardening, namely enjoyment, exercise, and nutrition. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. "The Midwest Fruit Vegetable Book, Wisconsin Edition" is written by the highly popular gardening expert James Fizzell. Contains advice for plant fruits, vegetables, and herbs. With 60 featured plants, the authors provide characteristics of available varieties, planting and maintenance advice, as well as recipes for dishes from the garden.

About the Author  
Fizzell has more than 40 years of hands-on horticultural experience. Fizzell has been featured often on television and radio and in leading trade journals, and has become a celebrated guest speaker at industry seminars and horticultural associations throughout the Midwest. Fizzell was the horticultural advisor for the University of Illinois Cooperative Extension Service for nearly 35 years. In 1991, he founded James A. Fizzell and Associates, Ltd., which provides services to professional horticulturists, arborists, municipalities, sports turf managers, media, and other plant experts needing specialized help. Fizzell attended Pasadena California City College and California State Polytechnic College and received his B.S. in Floriculture and his M.S. in Horticulture from the University of Illinois.
