From Nostrand : Miniture Plants for Home and Greenhouse before purchasing it in order to gage whether or not it would be worth my time, and all praised Miniture Plants for Home and Greenhouse:

More than 800 true miniature plants are discussed in this book. Most of these mature, or may be maintained by pruning and training, at less than ten inches overall height. Clear and detailed pen and ink drawings and black and white photographs illustrate 100 of these lilliputian plants.
