Felder Rushing : Mississippi Fruit and Vegetable Book (Southern Fruit and Vegetable Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mississippi Fruit and Vegetable Book (Southern Fruit and Vegetable Books):

0 of 0 people found the following review helpful. This book is THE best! Super informative and tells you everything you need ...By JodaenThis book is THE best! Super informative and tells you everything you need to know in order to grow a successful garden :)5 of 5 people found the following review helpful. Plant Anyway!By Emily HamblinI am a bit biased because Felder is one of my favorite MPB radio hosts. The Mississippi Fruit and Vegetable Book is wonderful because it explains the basics of properly setting up a garden and highlights popular (and not so popular) plants without intimidating beginners. This book is easy to read and contains valuable information for starting and maintaining food producing plants.

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the benefits derived from gardening, namely enjoyment, exercise, and nutrition. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. "The Mississippi Fruit Vegetable Book" is written by the highly popular gardening experts Walter Reeves and Felder Rushing. Contains advice for plant fruits, vegetables, and herbs. With 60 featured plants, the authors provide characteristics of available varieties, planting and maintenance advice, as well as recipes for dishes from the garden.

About the AuthorRushing is a 10th generation Southern gardener. He is a leading Extension Service consumer horticulturist in Mississippi and has two degrees from Mississippi State University and the Louisiana State University Landscape School of the South. He coordinates Master Gardeners in the state's capitol.
