It walks you through problems you will face, along with giving you wonderful advise about taking care of your plants. The book also goes into detail about things that are thought to be true but are actually false. If you have any interest in bonsai, I highly recommend this book for you.0 of 0 people found the following review helpful. Great BookBy CustomerIt came in

time as promised. It is a wonderful book filling the gaps of my horticultural knowledge. 2 of 4 people found the following review helpful. Five Stars By Timothy Cox Incredible photography. Very well done
