Wanda Jankowski : Modern Kitchen Workbook: A Design Guide for Planning a Modern Kitchen before purchasing it in order to gauge whether or not it would be worth my time, and all praised Modern Kitchen Workbook: A Design Guide for Planning a Modern Kitchen:

This kitchen design book provides inspiration and advice to keep readers on track, on task, and on budget. With a focus on modern kitchen design, this book provides clever ways to organise kitchen design projects large and small.

About the Author Kitchen design expert Wanda Jankowski has had her finger on the pulse of the latest in kitchens and

baths since 1987. Editor-in-chief emeritus of four popular design magazines, Kitchen Bath Business; Build It! Ultra Build It! Home Plans; Architectural Lighting; and Designers' Kitchens and Baths, Jankowski is also the author of six books including Kitchens Baths, Designs for Living. She lives in New York City.
