Robert Polomski : Month-by-month Gardening In Mississippi before purchasing it in order to gage whether or not it would be worth my time, and all praised Month-by-month Gardening In Mississippi:

0 of 0 people found the following review helpful. and each is a great reference guideBy WalkerI have several of these books for different areas, and each is a great reference guide.0 of 0 people found the following review helpful. Five StarsBy Customerexcellent condition1 of 1 people found the following review helpful. ExcellantBy Melissa ThibodeauxWonderful book of Mississippi vegetation! Very informative and extremely interesting. Being in Mississippi and buying a large property, this was a wonderful guide on what to look for~!

Never garden alone! The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most. When is the best time to plant trees and

shrubs? Should I fertilize my lawn now? Is it time to prune my roses? What should I be doing in my garden this month? You'll find the answers to these questions and much more inside. This easy-to-use book highlights each of the ten major plant categories using a monthly format. It guides you through each month of the year, telling you exactly what your garden needs. It is like having an expert in the garden with you all year long. Valuable hints are located throughout the book, and beautiful photographs will inspire you. Written just for gardeners where you live, you can be confident that the information is right for you-and your garden will show it.

About the Author Rushing is a 10th generation Southern gardener. He is a leading Extension Service consumer horticulturist in Mississippi and has two degrees from Mississippi State University and the Louisiana State University Landscape School of the South. He coordinates Master Gardeners in the state's capitol.
