**John Cretti : Month-By-Month Gardening in New Mexico** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Month-By-Month Gardening in New Mexico:

0 of 0 people found the following review helpful. Three Stars By midget menace Very basic and not as local relevant as I'd hoped. 1 of 1 people found the following review helpful. Month-By-Month Gardening in New Mexico John Cretti By MaryH This book was recommended by a wonderful cashier at the local gardening shop I buy from. I rarely buy books that are not used because of the price and my love for books. So the price was right. The book came in great condition to. It is written for NM gardeners and the clerk always pulled this book out when I asked questions regarding soil or planting etc. It is well written and I would recommend it highly for NM gardeners because of the monthly

reminders of things to do and recommendations. 0 of 0 people found the following review helpful. Five Stars  
By D. Simpson  
Very nice book with lots of information for the new New Mexico gardener

"Never garden alone! The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most.
