Andre Viette : Month-By-Month Gardening in New York before purchasing it in order to gauge whether or not it would be worth my time, and all praised Month-By-Month Gardening in New York:

0 of 0 people found the following review helpful. GardeningBy hitchingpostfarmMonth by month gardening arrived in a timely fashion and was in perfect condition. It was not what I expected - I wanted a book that told me what to do with each plant by month - of which I had an old out of print, falling apart book. I was hoping this was the same. Instead you have to know the botanical name or common name of each plant and then try to match it up with the month in which you should be doing something to that plant. Very time consuming. No fault of the book - just not what I wanted.1 of 1 people found the following review helpful. Tells me exactly what to do, whenBy A. HillhouseI am a Brooklyn gardener and love that this book tells me what to do, when. The month by month instructions are customized for NY weather, and are easy to follow. It's a very well organized book and saves a lot of internet research0 of 0 people found the following review helpful. Easy readBy amandaSuch a detailed book! I wish it was organized just by months as I don't always know where to look, but the illustrations are straight forward

Never garden alone! The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most.

About the Author Andre Viette is a plantsman extraordinaire. As owner of Viette Farm and Nursery in Fishersville, Virginia, Viette educates the public about all kinds of plants and he is a noted daylily breeder. Viette hosts a weekly three-hour, live call-in radio program *In the Garden* and is a frequent lecturer, author, and distinguished horticulturalist. Among his honors include the Perennial Plant Association (PPA) Award of Merit for contributions to the perennial plant industry and the Garden Club of America Medal of Honor for outstanding contributions to horticulture. Viette serves on the board of numerous botanical institutions, including the National Arboretum, the American Horticulture Association, and the Lewis Ginter Botanical Garden.
