Andre Viette : Month-By-Month Gardening in the Mid-Atlantic before purchasing it in order to gage whether or not it would be worth my time, and all praised Month-By-Month Gardening in the Mid-Atlantic:

6 of 6 people found the following review helpful. Mo.xMo. Mid-Atlantic GardeningBy BettyLVery good book, in comparison. Unusual format in that it's broken up by categories--shrubs, annuals, etc.--then under each category, they give you month-to-month do's don'ts. Deadheading pruning are always useful info for the most part, it does give you the basics; a few "subjects" give more detail. I found almost all of my plants in there, it was more beneficial than previous books in that it focuses on this particular area. It does have some photos, but is more fyi. Bestbook I've found.0 of 0 people found the following review helpful. InformativeBy Donna MThis book is ok. Just a very busy way

of organizing it, and it could be done more simply. The information is fine. 3 of 3 people found the following review helpful. Fantastic book By Jamie D. Jones Arrived in a timely fashion. This book is great. My copy is dog-eared, highlighted and never leaves our coffee table because I'm always referring to it. I got this one for my plant-loving aunt as a birthday present.

Never garden alone! The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most.

About the Author Andre Viette is a plantsman extraordinaire. As owner of Viette Farm and Nursery in Fishersville, Virginia, Viette educates the public about all kinds of plants and he is a noted daylily breeder. Viette hosts a weekly three-hour, live call-in radio program *In the Garden* and is a frequent lecturer, author, and distinguished horticulturalist. Among his honors include the Perennial Plant Association (PPA) Award of Merit for contributions to the perennial plant industry and the Garden Club of America Medal of Honor for outstanding contributions to horticulture. Viette serves on the board of numerous botanical institutions, including the National Arboretum, the American Horticulture Association, and the Lewis Ginter Botanical Garden.
