Melinda Myers : Month-By-Month Gardening in Wisconsin before purchasing it in order to gauge whether or not it would be worth my time, and all praised Month-By-Month Gardening in Wisconsin:

0 of 0 people found the following review helpful. Four Stars By Ginger Good advice for most all types of gardening 0 of 0 people found the following review helpful. Useful Information By somadc123 There is a lot of useful information in this book. I love the idea of getting tips for gardening in our state at specific times of the year. This book has answered many of my questions. The only thing I don't like is having to flip through pages since you are often referred to different chapters. Overall I highly recommend this book. 0 of 0 people found the following review helpful. A must-have By Carrie Meyer This is a must-have book for Wisconsin gardeners. The book is organized according by months, and it tells you exactly what to do each month for your garden.

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from

gardening and the increase in their home's property value. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. "Month-by-Month Gardening in Wisconsin" is written for Wisconsin gardeners who want to know how to properly care for their gardens and the correct timing for successful results. Each chapter is comprised of monthly plant-specific information. This book covers landscape and vegetable gardens and is appropriate for beginning to intermediate gardeners.

About the Author Myers is a nature and gardening writer whose specialty is attracting wildlife, especially birds, to the garden. She contributes regularly to the magazine *Birds and Blooms*, and lectures widely on creating gardens that please both human and avian visitors. She is also a teacher and consultant, with over 20 years of experience in the field of horticulture.
