By Amy L Albrich Delivery packaging of product were excellent. Not as interested as I thought I'd be - by the photos of the decorated rooms. But after I read through everything, I may have an entirely different feeling about them. We shall see :)

By Duane Jorgenson In this book you will find page after page to be so thought invoking. You will not be able to put it down. I wish I could have known Tony and Beagle they were such interesting people and so full of ideas. If you want an interesting read I highly suggest this book, for it takes your mind to many places.

More Is More, the exquisite second volume about Tony Duquette, delves into the creative process and personal life of

this great American designer renowned for his fantastical artwork, sculpture, jewelry, gardens, film sets, and interiors. Using "The Enchanted Vision"--a three-day lecture delivered by Duquette at UCLA in the early 1970s--as its springboard, *More Is More* conveys through lavish illustrations Duquette's artistic credo on the arts of living and the living arts. Author Hutton Wilkinson explains Duquette's design philosophy, creative process, and studio practices, as well as the evolution of his exceptional style and vision.

About the Author Hutton Wilkinson is president of Tony Duquette, Inc., where he continues Duquette's business as a jewelry and interiors designer. He is also president of the Elsie de Wolfe Foundation. He lives at Dawnridge, Duquette's Beverly Hills estate. John Galliano is chief designer of Christian Dior in Paris.
