0 of 0 people found the following review helpful. Great Summary of the Tree of LifeBy Kindle CustomerIf you

haven't tried the amazing moringa for health read this book. This book is the best source of information on moringa I have found.0 of 0 people found the following review helpful. This is an easy read for people that are not familiar with the ...By Elaine Sharon DavisThis is an easy read for people that are not familiar with the properties of this tree. I ordered two after reading it I ordered 2 more copies to have place in a community library in a village in Cameroon.1 of 1 people found the following review helpful. ... of information about the tree but not much is useful, not enough detail on actually using the treeBy CustomerLots of information about the tree but not much is useful, not enough detail on actually using the tree. Mostly technical/genus info.

The booklet, 'Moringa, the Drumstick Tree' is an overview of multipurpose tree, *Moringa oleifera*, commonly known as the drumstick tree. It is a highly useful tree of Indian subcontinent origin. In this booklet, various culinary, medicinal and commercial uses of moringa plant is dealt in detail.
