Ave Pildas : Movie Palaces (Architecture and Film) before purchasing it in order to gage whether or not it would be worth my time, and all praised Movie Palaces (Architecture and Film):

0 of 0 people found the following review helpful. Beautiful movie palaces !By A fanIn reference to lloyd's review he must have been reading a different book. Yes there are a number of small "block" bw photos of theaters but the bulk of the book has beautiful full page photos of theatres, box offices, terrazzos, etc. A. delightful must have book for any theatre buff. I ordered two copies. One was perfect, the other was missing the dust cover, the binding was warped and the pages were wrinkled as if from water damage !0 of 0 people found the following review helpful. Five StarsBy Roy Bonariogreat book with many color photos of old movie theaters0 of 0 people found the following review helpful.

Library book. Beat up. Condition not as described. By Customer Library book. Beat up. Condition not as described.

A glorious compilation of brilliant color photographs from the golden age of the great American movie theaters. Pildas captures the spectacle and the glamour of these cinema temples, concentrating on specific design motifs such as marquees, box offices, lobbies, even the razzle-dazzle terrazzo floors. MOVIE PALACES is a vivid and detailed examination of some of America's vanishing architectural treasures.
