Adrienne Schmitz : Multifamily Housing Development Handbook (Development Handbook series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Multifamily Housing Development Handbook (Development Handbook series):

10 of 11 people found the following review helpful. GOOD TOOL FOR DEVELOPING A HOUSING PROJECT!By theHarrietAnnThis was a required book for my Master's course in Low-Income Housing, published by the Urban Land Institute. This is really a Handbook, and well presented, each chapter - Market Analysis, Site Selection, Financial Feasibility, etc. - are well composed, present practical examples, and resources that can be retrieved on the internet and hardcover books. (Good publishing and good delivery service!)9 of 11 people found the following review helpful. Excellent development resourceBy Joe GardnerI have read nearly every word in this book and it is well worth the money and time spent studying it. If you are looking for answers to questions about multifamily development then this

is the place to start. 1 of 8 people found the following review helpful. Five Stars By Hyunjun Choigood

Illustrated in full color, this authoritative resource explains best practices, techniques, and trends in multifamily housing developments.

About the Author Adrienne Schmitz is a director at the Urban Land Institute, the world's leading real estate and land use education and research institute. She lives in Washington DC.
