Liz Primeau : My Natural History: The Evolution of a Gardener before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Natural History: The Evolution of a Gardener:

Written with the author's trademark blend of enthusiasm and insight, My Natural History describes how gardening has

always been Liz Primeau's therapy, obsession, and reward. Full of fascinating gardening lore, personal history, and practical insight (including what to do when you notice your son is growing funny tomatoes among your seedlings), this wonderful memoir of life at ground level is sure to be savored by readers who share Primeau's passion for the earth and all the good things that come from it.
