many aspects from Marilyn's perspective. Definitely a good read... its a good book. 4 of 4 people found the following
review helpful. Beautiful book By J. Leith This book is beautiful and interesting. The pictures in the book are amazing

and so is Marilyn's writing. I love to hear her own words and think of how she would have spoken them. I am so interested in her and her life. This book sits on my coffee table, because it is too beautiful to put in the book case. Great buy!

Beautiful book. Didn't realize how big it was, but that was my fault. Not disappointed, it's not too big where it becomes hard to read, but still will look nice on a coffee table or shelf. The pictures are beautiful and the book itself is very well done and beautiful. It's a Christmas gift so I haven't read it, but just the little bits and pieces I've flipped through were well written.

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

About the Author
Marilyn Monroe was a film actress whose seductive screen presence shot her to stardom as a sex symbol. After she was mysteriously found dead of a drug overdose at the age of 36, the movie star became a beloved pop icon.
Journalist, novelist, and Oscar-winning screenwriter of *Underworld*, Ben Hecht (1893-1964) assisted Marilyn in the creation of *My Story*.
