**Pearson Education : MyMachineToolKit -- Standalone Access Card** before purchasing it in order to gage whether or not it would be worth my time, and all praised MyMachineToolKit -- Standalone Access Card:

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized

versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. --

About the Author Craig Pearson is presidential advisor on international programs and professor of agricultural policy, the University of Guelph. He has been dean, Ontario Agricultural College, chief scientist with the Bureau of Rural Sciences in the Australian government, and past president of the Canadian Faculties of Agriculture and Veterinary Medicine. Charles Pearson lives in Northern California.
