Carolyn Keene : Nancy's Mysterious Letter: Nancy Drew Mystery Stories Vol. 8 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nancy's Mysterious Letter: Nancy Drew Mystery Stories Vol. 8:

43 of 44 people found the following review helpful. Just as exciting todayBy Karen BOn a lark, I reread this as a 63 year-old because it was such a favorite when I was about 8 or 9. I couldn't believe how much I enjoyed this re-read. Of course this is not "good" literature and like all the Nancy Drew books I read as a child is formulaic. Unfortunately, I don't think my daughter would want her daughter reading these books, simply because they are not "good" literature. However, I couldn't believe how exciting it was today as it was back then. I couldn't put it down. I liked the simplicity and yet the plot at the same time. It sparkled for me and not just from bringing back memories of childhood. Of course, it's a quick read. I don't think there is anything wrong with getting a reluctant reader to get hooked on these. Nancy Drew hooked me on reading more than any other books and I can imagine younger girls today might want to devour them as I did back in the early 60's.2 of 2 people found the following review helpful. I have now the complete set of Nancy Drew. ...By Barbara and Lowell MoxleyI have now the complete set of Nancy Drew. I am reading the whole set of the ordinals set of books to see how long it will take me to read all 64 books. I read them years ago. Thank you by helping me get the in tired set. thank you again0 of 0 people found the following review helpful. A New TwistBy TomsdeThis book was a bit different than others in the series to date. The setting was interesting and Nancy's compassion for the problems of other comes shining through again with equal measures of mystery, action, and adventure as well. Fans of the series will find this an entertaining story.

Nancy receives a letter informing her that she is heir to a fortune
