I am a native Californian and love how he was able to capture the vibe of the West coast style of decorating and entertaining. I think that with Nathan being raised in Northern California and living in Southern California, he has a great ability to encapsulate all that is, "Californian". I appreciated the quick tips and the fun recipes too! This is going to be my "go-to" for host/hostess gifts this holiday season!1 of 1 people found the following review helpful. Very good designer.0 of 0 people found the following review helpful. Love this book!By Victoria L. GouldI've been reading this book like a can't-put-it-down

novel, but with beautiful pictures that enhance the reading experience. I love Nathan Turner's easy-going and beautiful ideas for decorating your own home. His down-to-earth, comfortable style is beautiful, but easily obtained by utilizing some of his great ideas.
