This has a ton of gardening and history information, we'll be using it in our homeschool classroom this year as we study the history of Native Americans in Vermont.

Readers will learn about the relationships between people and the gardens of Earth, seed preservation, Native diets and meals, natural pest control, and the importance of the Circle of Life.

From Publishers Weekly
Stories about the cycle of life illuminate learning activities in *Native American Gardening: Stories, Projects and Recipes for Families* by noted storytellers Michael J. Caduto and Joseph Bruchac. Using tribal tales from across the country as inspiration, the authors provide practical information about seed preservation, planting and maintaining the garden, reaping and cooking the harvest. The Fulcrum title is due in May. Copyright 1996 Reed Business Information, Inc.
