**Brian Lumley : Necroscope: Resurgence: The Lost Years: Volume Two (Necroscope: The Lost Years)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Necroscope: Resurgence: The Lost Years: Volume Two (Necroscope: The Lost Years):

1 of 1 people found the following review helpful. I'm in thrall to LumleyBy MichaelVolume Two of The Lost Years doesn't maintain the suspense or wonder of Volume One over its 550 or so pages. The trio of vampire families were much more gripping in \*getting\* to know them, as opposed to the realization of their devious plans which falls somewhat flat. It has its moments, especially in the further history of Radu,incorporating factual dates in history along the way. A chilling cameo by Faethor Ferenczy was a terrific touch of continuity by Mr. Lumley. Infusing an actual Quatrain from Nostradamus into the story was very eerie as well. Obviously if you are on the journey reading all of The Necroscope books, you will not want to skip this. I was genuinely moved at the ending, and was overall satisfied with the book.0 of 0 people found the following review helpful. Love the Necroscope SeriesBy Daryl CookI love the Necroscope series and this installment in the series does not disappoint. A great read. I would suggest starting at the beginning of the series though.0 of 0 people found the following review helpful. Loved this bookBy David W.

Powell This is classic Lumley. Loved this book.
