New England Gardeners Handbook is written by popular gardening experts who include their collective wisdom in one complete guide for New England gardeners. In addition to the hundreds of hardy plants in eleven different plant categories, there are monthly to-do calendars assisting gardeners with the proper care and timing for everything from planting to pruning. Full-color photos for each plant and helpful illustrations and charts make this an easy-to-use resource for all New England gardeners with expert advice for home gardeners in Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont.
