**Jacqueline Heriteau : New England Gardener's Resource** before purchasing it in order to gauge whether or not it would be worth my time, and all praised New England Gardener's Resource:

The New England Gardener's Resource is written by popular gardening experts who include their collective wisdom in one complete guide for New England gardeners. In addition to the hundreds of hardy plants in eleven different plant categories, there are monthly-to-do calendars assisting gardeners with the proper care and timing for everything from

planting to pruning.
