Adam Caplin, Celia Brooks Brown : New Kitchen Garden: Organic Gardening with Herbs, Vegetables and Fruit before purchasing it in order to gage whether or not it would be worth my time, and all praised New Kitchen Garden: Organic Gardening with Herbs, Vegetables and Fruit:

0 of 0 people found the following review helpful. Wonderful!By Olivia TaylorThis book is fabulous. I had gotten it from my local library before buying it off and thats when I fell in love with it. I got a new copy and it came in absolutely splendid condition.There is great photos all throughout the book that are well explained; you are never left confused at what is in the picture. It has great information for all types of gardeners.0 of 0 people found the following review helpful. ExcellentBy CustomerA lot of great info in this book. A keeper for sure. Haven't had a chance to try the recipes but, they look yummy.

Focusing on plants that are easy to grow, Adam Caplin takes an illuminating new look at the delights and challenges of cultivating edibles, showing how they can be grown - on their own in beds and containers, in mixed borders, and decoratively with flowers - for their ornamental as well as their nutritional value. Celia Brooks Brown presents 35 mouthwatering vegetarian recipes - for soups and starters, main courses, salads and light dishes, salsas and chutneys, and sweet things. This book features glorious photography by Caroline Hughes and William Shaw.

BBC Homes Gardens, Gardens Monthly, Gardens Illustrated, BBC Gardeners' World. About the Author Adam Caplin studied horticulture at Reading and has managed several garden centres. He is the author of *New Container Style* (Ryland Peters Small) and a contributor to *BBC Gardeners' World* magazine. Celia Brooks Brown is a teacher-chef at Books for Cooks in London. Her books include *New Vegetarian* (Ryland Peters Small). Both live in London.
